### The Wine: Romance

Straight from the sun-drenched shores of the Mediterranean. This wine is soft, and light pink in color. Beautiful floral and berry aromas awaken your senses with freshly picked summer peaches and strawberry cream dancing around your palate. This is the wine that patio and poolside sipping were made for!

**Color:** Very light pink, like the sun's reflection on water.

**Nose:** Amazing aromatics that are very inviting. Dominant orchard fruits like peaches, peach ring candies and a sweet fruit salad. A very beautiful, floral and intense nose that jumps out from the glass.

**Taste:** The freshness, the fruitiness of this wine hits you at the front of your tongue. Freshly picked and chopped fruit, very ripe peach and strawberry flavors. A great texture, almost silkiness to the wine.

**Pairings:** A perfect cocktail rosé – it doesn't need food to lift the flavors, it does a fantastic job of that all on its own. Would pair well with spicy food, like Szechuan chicken or Mexican dishes with a little heat.
